Where can I get
information on
flight schedules
and status?

Yes, you could search for your flights through the flight information page:
flight-information.
\nYou could directly click on "Add Flight" from the home page hero banner and start tracking your flight. Once you search for your flight and start tracking them, it gets added as a card on the home page of your pulse screen.

Internet & Wi-Fi
for domestic

Avail free Wi-Fi service (upto 2 hours) at BLR Airport with a simple log-in process.

- Enable Wi-Fi and select BLR Airport free Wi-Fi.
- Open a web browser on your device and type any URL. You will be redirected to the Wi-Fi webpage.
- Fill in the required details and click on 'send OTP'.
- Enter the OTP received and click on 'submit'.
- Enjoy free internet for 2 hours. Do not close the login page during this duration.

If you are a registered user on pulse, then being a loyalty user you will be eligible for extended Wi-Fi.

For non pulse users, the Wi-Fi disables in an hour.

For a more convenient experience, you may also download the [BLR Pulse App](https://onelink.to/xzqgtn).

If you require any further assistance, please reach out to our customer care at

guidelines for
international
passengers

As per the GoI circular dated February 10, 2022, below are the revised international guidelines, effective February 14, 2022. BEFORE TRAVEL- Submit self-declaration form on Air Suvidha portal www.newdelhairport.in, including travel details of last 14 days. Upload a negative COVID-19 RT-PCR report; test conducted within 72 hrs prior to the journey OR upload a certificate of completing full primary vaccination schedule of COVID-19 vaccination. The list of countries which have an agreement with India on mutual recognition of vaccination certificates are available on www.mohfw.gov.in. Passengers must give an undertaking on the portal or otherwise to the MoCA (GoI) through the Airline that they

would abide by the decisions of the appropriate Govt authorities to undergo self-health monitoring/quarantine, as warranted.

ARRIVAL AT BLR AIRPORT- Undergo

Thermal screening. Show the online self-declaration form to the Airport Health Officials.

2% of the passengers will undergo random testing at BLR Airport. Such passengers will be identified by the Airlines. They will submit swab samples and exit the airport. All international passengers arriving in Bengaluru must self-monitor their health for 14 days. If they develop any symptoms of COVID-19, they must self-isolate and inform the nearest health facility or call the National/State Helpline number. Children under 5 years are exempted from both pre and post arrival. For a more convenient experience, you may also download the onelink.to/

How can I get to
the second
terminal?

On Google maps
or on BluSmart,
OLA or Uber,
select Terminal
2, Kempegowda
International
Airport
Bengaluru. Once
inside the Airport
campus you may
also look for the
directional
signage. Click
here for a
detailed video on
how to get to
Terminal 2. Click
here for a
detailed video on
how to get to
Terminal 2.
For
a more
convenient
experience, you
may also
download the <a

RTPCR negative
report is still
mandatory for
International
Departures?

International
travel
passengers
departing from
Bengaluru are
requested to
connect with
their respective
Airlines as the
country's
regulations
determine the
guidelines. The
airline staff will
verify the
documents
inside the airport
at the time of
check-in. Further,
do visit the
airline's website
for more updated
information.\nFor
a more

Is a negative
RTPCR report
still required for
international
departures?

International
travel
passengers
departing from
Bengaluru are
requested to
connect with
their respective
Airlines as the
country's
regulations
determine the
guidelines. The
airline staff will
verify the
documents
inside the airport
at the time of
check-in. Further,
do visit the
airline's website
for more updated
information.\nFor
a more
convenient
experience, you
may also
download the <a
href='https://
onelink.to/
xzqgtn'>BLR
Pulse App.\nIf you require any
further
assistance,
please reach out
to our customer
care at <a href='

Do you offer
special services
for differently
abled
passengers?

For differently abled passengers, a dedicated zone is reserved for drop-off at the Kerb near the Departure gates and pick up at the inner Kerb near Arrivals. A calling facility has been installed at the drop-off point to enable passengers to call the airline for assistance.

Differently abled passengers are accorded priority at all processing points (departure gates, check-in counters, PESC and boarding gates).

Passengers with reduced mobility can opt for the complimentary buggy service available at two designated locations: near Departure gates and at International security check area.

Passengers can also engage a concierge and porter service.

They will be assisted by staff and escorted by the porter to the check-in counter.

\nFor a more convenient experience, you may also download the <a href='https://

Is the parking
facility manual or
automated?

The automated parking facility for passengers with self-driven cars is entirely contactless from entry to exit. Once the car arrives at the parking gate, the ticket machine dispenses a ticket, capturing the time, date. At the exit, the passenger needs to scan the ticket against a machine, and payment can be made using a digital platform. In case of card payment, the card will be sanitised before returning it to the customer.\nFor a more convenient experience, you may also download the BLR Pulse App.\nIf you require any further assistance, please reach out to our customer care at feedback@bialairport.com or call 080-66785555 / 080-47406666.

my booked flight
through pulse?

Yes, Pulse platform allows you to perform a web check-in of your upcoming flights. You could add your flight through the Home page, which appears as a flight card on your home page. On the bottom right hand corner of the home page there will be an option to perform the web check-in.

\n You can download the pulse app from :-
BLR Pulse App
and look for more options.

How can i
access wifi at
bengaluru
airport?

Avail free Wi-Fi service (upto 2 hours) at BLR Airport with a simple log-in process.

- Enable Wi-Fi and select BLR Airport free Wi-Fi.
- Open a web browser on your device and type any URL. You will be redirected to the Wi-Fi webpage.
- Fill in the required details and click on 'send OTP'.
- Enter the OTP received and click on 'submit'.
- Enjoy free internet for 2 hours. Do not close the login page during this duration.

If you are a registered user on pulse, then being a loyalty user you will be eligible for extended Wi-Fi.

For non pulse users, the Wi-Fi disables in an hour.

For a more convenient experience, you may also download the <https://onelink.to/xzqgtn> BLR Pulse App.
